The IACR Reading Room at Springer Springer

the language of science

Springer is pleased to offer all IACR members free access to the [Journal of Cryptology](#) and to the [Lecture Notes in Computer Science](#) proceedings volumes in CRYPTO, EUROCRYPT, ASIACRYPT, FSE, CHES, PKC, and TCC. Access is provided via <http://www.springer.com/iacr> after a one-time registration procedure as described below.

One-Time Registration

You must be a member of the IACR in order to use the registration procedure below. If you are not currently a member, you should [\(re\)establish your IACR membership](#) and then come back to this page.

Step 1: Get a Springer-token.

If you know your IACR Reference Number and password, use them in the form below to get a springer token.

IACR Reference Number: Password:

If you do not remember your IACR Reference Number or password, enter your email address here and we will email them to you:

If you are unsure of what email address to use (or have any other problem with this procedure), you can write to the database administrator at the address database@iacr.org.

Step 2: Register with Springer.

Once you have a token, go to <http://www.springer.com/iacr>, and either login to your existing Springer account (if you have one) or register for a new account. Either way, you will be asked to provide the token that you got in Step 1. See [more detailed instructions](#).
